

ST LUKE'S NEWS 21.06.24

We are excited to share with you a roundup of celebrations, important information, and key upcoming events. From memorable moments to important updates, here's what you need to know:

= SPOTLIGHT =

On Thursday night St Luke's student band 'Skeptic' took part in the Devon Secondary Schools Battle of the Bands 2024 regional heat at the Cranbrook Education Campus. With a rousing rendition of "My Iron Lung" by Radiohead, Skeptic managed to beat off eight other bands to come second and progress to the grand final at Bombar on Exeter's Quayside on the 27th June.

The band could potentially win a chance to professionally record their music and perform at a number of high profile festivals.

OFSTED NEWS

St Luke's is now officially a '**Good**' school. We are absolutely delighted with the Ofsted report which has just been published. The report highlights the brilliant outcomes for students at the school, including those with SEND, and praises the strength of our curriculum. It also celebrates our anti-bullying work and calm learning environment. The full report is available on the Ofsted website.

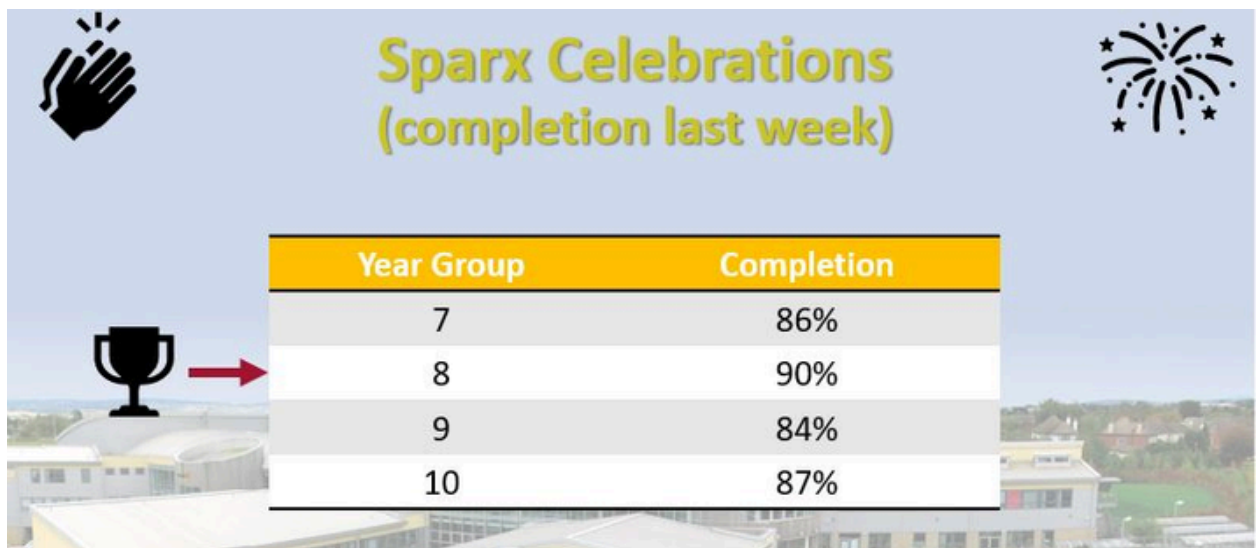

YEAR 11 LEAVERS ASSEMBLY

The Year 11 BBQ, shirt signing, leavers' assembly and football match took place on 19th June, where our staff celebrated the Year 11s' school journey and hard work. As we bid farewell, we wish them every success in the future, through their next steps in education and beyond. We are confident that they will continue to live out our values and lessons learnt into their next chapter.

SPARX LEADERBOARD

EXTREME READING

Our Year 8 future reading mentors were excited to receive the books won for our library by Mr Hollis in the Ted Wragg extreme reading competition.

ECOLOGY CLUB

Over the past month the ecology club have been watching our brood of Small Tortoiseshell caterpillars grow, pupate and in the first week of June we had the pleasure of releasing them around the school site during break times to improve the biodiversity of our environment.

YEAR 10 APPRENTICESHIP EVENT

Some of our Year 10 students have taken part in the Jump into Apprenticeships programme. This allowed them to experience how different companies would employ them during an apprenticeship. They have visited the Exeter College Future Skills Centre and Persimmon Homes among other venues.

We are looking forward to hearing all about how our Year 10s get on during their work experience week which takes place from 15th July - 19th July.

SUMMER COMMUNITY EVENTS

St Luke's and St James Community Partnership programme of events this summer continues. It was great to see some of you at the recent event with Pinhoe Voices Community Choir.

The aim of our partnership is to support and enrich our community by drawing together resources, skills and expertise, and opening up our school buildings.
